

Annex n. 1 to the Rules for the implementation of student, doctoral student and graduate traineeships in the Erasmus+ programme, Educational Mobility: programme countries at the University of Szczecin in the academic year 2022/2023. Long-term mobilities.

It is hereby decided that:

1. Heading II. Qualification for traineeship, par. 10 a. is replaced by:

a) *Qualification conducted at the faculty **from which the student's/doctoral student's wants to realize their mobility** by the **coordinators for international exchange** or at the DS by the **Doctoral School coordinator for international exchange**,*

2. Heading II. Qualification for traineeship, par. 13 is replaced by:

*Persons taking part in the qualification shall complete **an on-line application form in the DreamApply system (DA)**. The application should include documents: confirming entitlement to a social scholarship at the US, confirming the degree of disability. **In case of students studying at the 3rd year of the first cycle who plan to realize their mobility from faculty other than their current one, at which they plan to continue their studies at the second cycle, have to additionally upload into the DA a scan of dean's office of their current faculty confirmation of their grade point average for the last completed semester of study and a declaration, according to the US template, of plans to continue their education at the faculty from which they apply.***

Students/doctoral students may apply for a maximum of three traineeships within one academic year.

3. Heading III. Financial aspects, par. 22 is replaced by:

*The period of co-financing is specified in the scholarship agreement for the mobility, with the maximum period **of stay in the partner institution co-financed by the US is 3 months (90 days)**. **Co-financing of the "green travel" journey is not included in the period of stay in the partner institution.***

4. Other conditions of the Rules remain unchanged.
