

FICHTNER

is Germany's leading independent consulting company with around 1,500 employees. We operate globally and handle demanding projects in more than one hundred countries. Our clients include for example international development banks, investors, public administration institutions and energy-intensive industries. We offer our clients a unique combination of technical planning and classic management consulting.

Naturally, we are also strongly positioned in the area of IT with our own in-house IT service department and our IT consulting company, the Fichtner IT Consulting GmbH, with altogether more than 200 employees throughout Germany.

We want to continue to grow in the IT area, so for our locations in Germany, such as Stuttgart, Berlin, Görlitz, Hamburg or Munich we are always looking for dedicated

Interns, working students and graduates (m/f/x) in the field of information technology

You are:

- A motivated student or graduate (m/f/x) of a degree program in the IT area or comparable
- In case of an internship, available for at least 3 months
- interested in working in a culturally diverse environment and speak German on a basic level, as well as English on an advanced level
- a team player with a service- and customer-oriented mentality
- always interested in the latest developments in the IT and energy sector
- As a graduate or after your internship interested in a possible permanent position

We offer:

- Jobs and internships in our in-house IT service department and in our Fichtner IT Consulting GmbH
- Attractive working locations throughout Germany (eg Stuttgart, Berlin, Görlitz, Hamburg, Cologne etc.)
- International development perspectives in a global consulting company
- Secure jobs with long-term perspectives, on average our employees stay with us for over 11 years
- Extensive social benefits, flexible work scheduling and home office possibilities
- Transport-friendly locations with very good public transport connections and the possibility to lease e-bikes for private use
- Flat hierarchies with high degrees of freedom
- Corporate events, joint sports activities as well as possibilities for further education and language courses
- Real appreciation and equal opportunities in an international work environment
- A team of colleagues who will always provide you with active support

If you are now interested, we look forward to receiving your application, also as an speculative application, at <https://www.fichtner.de/karriere/aktuell-stellenangebote/> or by e-mail to jobs@fichtner.de
