Checklist

One of the most important parts of your application is the motivation letter. Its goal is to introduce your background and support your application. In short, its goal is to answer the question: "Why are you a suitable candidate?"

Write in a clear and logical manner: remember, the way you write and present yourself says a lot about you.

You have currently typed
0 characters

Please write at least 150 characters, but not more than 8000 characters. (optional)

Some points that may help you answer this question:

- Why have I chosen to apply to this programme?
- What do I expect to gain from my studies?
- Why does my background make me a suitable candidate?
- How will the programme help me to achieve my goals?

W tym miejscu umotywuuj, w języku obcym, swój wyjazd w kontekście pisanej rozprawy doktorskiej/prowadzonych badań.
