

## Internship Operations Team of Yes-Trips

Working area: Tourism industry

Location: Barcelona, Spain

Yes-Trips organizes amazing trips and events, such as Oktoberfest in Munich; Carnaval; Northern Lights- Lapland in Sweden, Tomatina in Valencia; Saint Patrick's Day in Ireland and so much more...our goal is to provide incredible and unforgettable experiences. We are looking for an Operations and event management intern to strengthen our team and help create unique experiences for students!

### Daily tasks

Your task will be key for the daily functioning of the company. You love to travel and make sure that every detail is looked at. You are willing to learn everything about the local cultures and happenings of every event that we travel to. In addition to that you help to keep track of the administration and would have an overview of the company's current activities.

Your daily tasks in the operations team will be different everyday.

- \* Writing a city tour
- \* Contacting (local) partners in different destinations
- \* Communicating important information with the participants
- \* Brainstorming a new trip/destination
- \* Designing an itinerary from scratch
- \* Choosing the right pricing for a product
- \* Training the guides
- \* Analyzing competitors and their products
- \* Evaluating a trip and improve next ones
- \* Doing market research on the current travel industry

There are a variety of tasks waiting for you, which will all help you to see the bigger picture of the current travel industry. You will learn how to work organized, how to prioritize tasks, how to work together with other departments, how to solve problems independently and mostly how to plan, organize and sell a product from scratch.

We are looking for people who are up for the challenge to make the most out of their internship!

What do we expect from you? Are you..

- Eager to learn
- A teamplayer
- Working organized
- Looking for solutions

- Up for challenges
- Passionate about traveling

What will you get from us?

- A lot of responsibility while working on your own projects
- To be part of an international team and working environment
- The chance to have an influence on the foundation of a high-potential startup
- Possibility to work remotely some days a week
- Possibility to take part in the trips (depending on period and length of internship)
- Space to develop new ideas
- To earn experience and learn about the currency travel industry
