

Erasmus+ Traineeship Opportunity

Plus Project European Academy — Málaga, Spain

Plus Project European Academy is a teacher training course organizer based in Málaga, Spain. We welcome Erasmus+ trainees from partner universities across Europe and offer hands-on experience in a real international education environment.

We are currently open to hosting interns in:

- Education / Teacher Training
- Customer Relations
- International Relations
- Web Development
- Social Media Management

What trainees can expect:

- Real, hands-on tasks supporting course coordination, communication with participants and partner schools, and daily academic and administrative operations
- A supportive, international team environment in Málaga
- Work conducted in English
- Flexible traineeship duration, in line with your university's Erasmus+ agreement

How to apply:

Interested students should send a CV and a short motivation letter to the email address below. We are happy to answer any questions about the internship or life in Málaga before you apply.
